

## Complete Guide to Restorative Drying

The essential handbook for the restoration professional

The *Complete Guide* is RSA's first complete collection of ASD classroom course manuals. Every RSA course is represented, including water damage restoration, fire and smoke restoration, odor control, microbial remediation, trauma scene cleanup, upholstery and fabric cleaning, and carpet cleaning. Extensively reviewed and revised by experienced restoration instructors, researchers and industry leaders, this 600-page titan of restoration resources is a must-have for every restoration company library.

### Product Features

- Ready-to-use formulas for equipment placement
- Real-life examples of drying challenges and solutions
- Sample forms and monitoring documents
- Pages and pages of helpful charts, illustrations and photos!

Item #F365  
\$1,645 Suggested List (Box of 10) U.S. Funds

### Product Specifications
