Floor Scraping Systems PROPANE POWERED RIDE-ON SCRAPER

BMS-220LPG

The Blastrac BMS-220LPG ride-on scraper is ideally suited for medium and large sized applications. Works well on all applications such as hardwood parquet, ceramics, linoleum, vinyl, carpet, adhesives, glue, tiles, etc.

The BMS-220LPG is perfect for floor stripping applications. With its heavy duty blade holder and motor, the BMS-220LPG can tackle the toughest floor coverings. In addition, with its high level of maneuverability and zero turning radius, the BMS-220LPG can easily operate in tight spaces. Also featured are non-marking tires and complete hydraulic control.

The BMS-220LPG's functional, ergonomic design makes performing maintenance functions a snap and provides unparalleled operator comfort.

Easy installation of propane tank

FEATURES AND BENEFITS:

- Fast and easy removal of all kinds of flooring materials
- Very compact, fits through standard doors and elevators
- Zero turn radius, ergonomic design for safe and easy maneuvering
- Non-marking, high speed tires
- Very versatile, total freedom of movement, no electric cable
- Complete hydraulic control (forward and backward)
- Very high output compared to manual material removal
- Maintenance-free hydraulic components, no belts or gears
- Standard arm rests on chair for ergonomic work position

SPECIFICATIONS:

Working Width: 6 - 27 in. (152 - 690mm) Tool Width: Blade Dependent Motor: 25 hp Kohler Lp engine Max Ground Speed: 160 ft./min Dimensions: L 59 in. x W 24 in. x H 52 in. (1497mm x 615mm x 1326mm) Weight: 2400 lbs (1089kg)

The Trusted Choice of Professionals for Over 30 Years
