

24" Predator™ 220 3PH

Innovatech's new Predator 24" planetary grinder is the machine of choice for residential and light commercial contractors. This new machine produces the production equivalent of much larger grinders. With it's 4 headed planetary design it is a compact grinder that produces a punch. This machine is perfect for the residential contractor being able to run on single phase 230 volt power. It is also great for the commercial contractor with an available 10HP motor in 3 phase 230V or 460v power. This machine like it's lager counterpart excels at polishing concrete wet or dry, as well as removing coatings, thin set, sealers and adhesives.

► Technical Data

Motor: 7.5 (7.5 HP) 5.5 Kw or (10 HP) 7.5 Kw

Motor RPM: 0 - 1760

Power: 1 ø 230 Volt, 25 - 30 Amp OR 3 ø 230 Volt, 13 - 15 Amp (7.5 HP)
3 ø 230 Volt, 17-23 Amp (10 HP), or 3 ø 460 Volt 9-11 Amp (10 HP)

Dimension: 49 x 25 x 46 inches

Weight: 750 Pounds

Grinding Width: 24 inches

Number of Grinding Heads: 4

Grinding Head RPM: 0 - 1200

Grinding Head Diameter: 8.5 inches

Planetary Grinding Plate RPM: 300

Hose Size: 3 inches (75 mm)

Water Tank Capacity: 10 Gallons

Part #	Descriptions
99-0101	1 ø 230V, Variable Speed 7.5HP (5.5Kw) w/100ft Power Cord
99-0102	3 ø 230V, Variable Speed 7.5HP (5.5Kw) w/100ft Power Cord
99-0103	3 ø 230V, Variable Speed 10HP (7.5Kw) w/100ft Power Cord
99-0202	3 ø 460V, Variable Speed 10HP (7.5Kw) w/100ft Power Cord
900-1005	Metal Bond Carrier Plates
900-1006	Resin Bond Carrier Plates
