Machine Technologies MP-25

AramSCO is now proud to offer the Machine Technologies MP-25 Concrete Mixing Pump. The MP-25 mixes, pumps, and sprays most pre-blended cement construction materials with a single easy-to-use machine.

Suited applications include:

- ▶ Self-leveling Underlayments and Toppings
- ▶ Concrete Repair Mortars
- ▶ Grouts
- ▶ Fireproofing

This machine is stocked in the U.S. and our service and support teams are available to help you get the most from it. With branches located nationwide, we can service your machine, or simply supply you with extra grout hose, with speed and accuracy.
