

32" PANTHER

- Deep Scrubs, Strips, & Screens Wood Floors
- 32" Cleaning Path
- EPA & CARB Certified
- Low Profile Deck
- Simple Variable Weight Technology

Onyx Panther dual head floor machines aggressively scrub, strip, and screen floors in one pass. Two counter rotating 17" brushes effortlessly clear a 32" path. Powered by a powerful EPA & CARB certified Kawasaki 17hp engine. Run time is 5-6 hours. A removable solution tank and powered deck lift make screening wood floors fast and easy.
