HEAVY DUTY INDUSTRIAL VACUUM SOLUTIONS

FLOOD VAC PRO

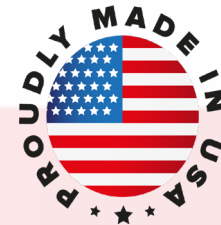

\*Includes 32" front mounted squeegee

## Flood Vac Pro: Standard Specifications

- 110 volt, 112CFM @ 107" of H2O
- Only one 15 AMP power source required
- Powerful, small and lightweight portable design
- 32" front mounted squeegee attachment
- 38 GPM return pump allows you to vacuum and pump at the same time without ever having to stop
- Spacious 12 gallon liquid collection capacity
- Durable **"Bulletproof"** compression cast composite housing will never dent or rust
- 2" side valve and 8" bottom discharge makes emptying residual materials fast and simple

**Red Line Pro Series Industrial Vacuums are specifically designed to meet and exceed the OSHA Silica Dust Compliance Standards.**
