FS200™ Series Performance Benefits:

The USA-made SMITH FS200 compact scarifier repairs, improves and maintains asphalt or concrete surfaces to right surface profile finishes.

- 20-year performance history with lifetime warranty
- All-steel construction
- HD industrial AC motor with safety reset
- Front outboard feathering caster wheel
- Fixed inboard wheel for straight line removal
- Micro-depth-of-cut control settings
- Height-adjustable vibration tension comfort grips
- Vacuum port for dust-free operation
- Dual maintenance-free bearings
- Fast and easy side-loading cutter drum
- Triple-drive belts with safety belt guard

Options:

- Variety of cutter-drum assemblies
- 'Get close to wall' edger assembly
- 9HP gas engine or electric motor
- MaxiVac HEPA vacuums
- Hour maintenance meter

What customers say about **SMITH**

"Saves time over diamond grinding with the option of using 110 and 220 power. We use it to remove the crown off of concrete floors. We love how fast the machine preps."
Jeff Zavri
