

Chemsafe® Brands

Chemsafe® Seal Bond Hi Solids is a **high strength** concrete and masonry sealer utilized to help seal porous surfaces, **enhance moisture vapor retention** and improve adhesion of subsequent adhesives. Chemsafe Seal Bond Hi Solids is water-based and makes for easy water rinse and clean up of application equipment.

- ▶ **Plasticizer Free**
- ▶ **0 VOC's**
- ▶ **Improves Adhesion**
- ▶ **Solvent Free**

Directions for use:

Preparation: All surfaces must be in tact, clean, dry and contaminant free. Surfaces to be treated must be able to accept water penetration. For smooth surfaces, it is best to use Chemsafe Concrete Surface Prep to strip residues and roughen surface prior to use of this product. For enhanced bonding to occur, apply Chemsafe Seal Bond Hi Solids in two stages:

1st Coat: Dilute 1:1 with water and apply with an exploded tip stiff bristle broom (no rollers or spray equipment). Cover all surface area in same direction. Brush out excess product prior to drying. Allow product to dry non-tacky (1-3 hrs). Apply second coat.

2nd Coat: Apply undiluted to the tack-free surface in the same fashion as 1st coat in a 90 degree direction of treatment covering all surface area. Allow product to dry thoroughly (24 hours) prior to any subsequent applications of underlayment or adhesives.

MATERIAL SPECIFICATIONS

General ID	Concrete Sealing Compound
Odor	Nil
Color	White liquid dries clear
Flash Point	NA
Coverage	Approx. 200 sq. ft./gallon
Water Solubility	Soluble
Clean Up	Water & Detergent
Application	Manual
Shelf Life	1 Year
Shipping Class	55
Shipping Weight	5 gal. = 44 lbs.
DOT Shipping Name	Cleaning Compound Liquid
DOT Hazard Class	None

- Nitrile
- Butyl Rubber
- Viton
- Silver Shield
- Neoprene
- Cut Resistant
- Ergonomic

Respiratory Protection

- Disposable
- Limited Use
- Negative Pressure
- Blast Hoods
- Full Face
- Half Face
- Respiratory Cleaning Systems
- Powered Air
- Airline
- Hoods
- Self Contained
- Cartridges
- Filters
- Fit Test Equipment

Head, Face & Ear Protection

- Hard Hats
- Bump Caps
- Safety Glasses
- Face shields
- Headgear
- Lens Cleaning Stations
- Portable Eye Wash
- Chemical Hoods

- Liners
- Goggles
- Spray Socks
- Ear Plugs
- Muffs
- Sweat Bands
- Insulated
- Fire Retardant

First Aid & Infection Control

- First Aid Kits
- Burn Kits
- Eye Wash Stations
- Hand Cleaners
- Disinfectants
- Custom Blood borne Kits
- Hard Surface Wipes
- Antimicrobial Wipes
- Stretchers
- Fire Blankets
- Disinfectants
- Water Coolers
- Thirst Quencher
- CPR Masks
- Biohazard Bags & Tape

Confined Space & Fall Protection

- Manhole Lifters
- Harness (all types)
- Lanyards (rope & nylon)
- Manhole Guard Rails
- Arrest/Retrieval System
- Gas Monitors
- Explosion Proof Lighting
- Blowers
- Saddle Vent
- Roof Kits
- Rope Grabs
- Tripods
- Ducting
- Winches
- Flashlights

Instrumentation & Monitoring Equipment

- Gas Monitors
- Flowmeters
- Instrument Cases
- Calibration Cases
- Air Sampling Equipment
- Soil Sampling Equipment
- Negative Pressure Recorder

- P.I.D.
- Bailers
- Hazmat Kits
- Coliwasas
- Cassettes
- pH Meters
- Drum Thieves
- Detection Tubes

Signs & Traffic Products

- Labels • Signs
